

# **WILL YOU BE MY GF??**

- A Presentation by GOoTHam  
Please??

# Why I should be your date??

- I like you (a lot), everyone says I've got no taste but I like you more than my Duncan steel YOYO and I really like my YOYO
- Magikarp thinks that I like you too!!

A cartoon illustration of Magikarp, a red fish-like Pokémon with a large white eye and a yellow fin. It is holding a white envelope in its mouth. A white speech bubble with a black outline is positioned above its head.

Gautham  
loves  
Saman??  
YEAHHH!!

- I am not gay
- I think you're really pretty and funny:D
- You'll always have someone to rely on the bitter end

I WILL NEVER LEAVE YOUR SIDE, I AM  
EXTREMELY LOYAL

# Pros and Cons of choosing me

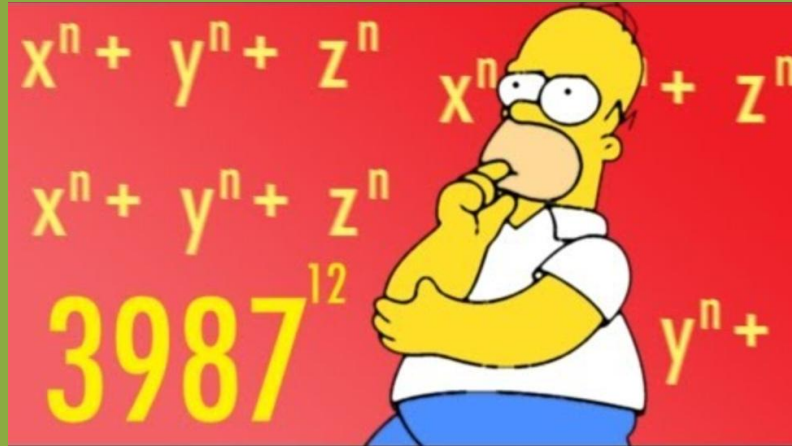

You will be loved more than you've ever been loved, I will never ever, stray	Sometimes, I use my blanket and wrap it around my neck as a cape, pretending to a superhero fighting thugs
I'm 	You are with me
Sometimes, I am hilarious, you will laugh a lot with me	.....
I can make you a sandwich when you're hungry	.....
I am good with emotions and small animals	.....
I workout everyday, I have a well toned body	As you can see, there are no true cons 

**PROS**

**CONS**

# How much I know about you??

- You don't like Science, Math, Video games, animals, cartoons ....
- You like Grey's, Cobus, Quran, Aqsa, Snapchat ....
- You're scared of ghosts, scary movies, insects, reptiles ....
- You don't like to put too much trust in people around you
- You're like a detuned radio, too complicated to understand

# What you see is what you get!!

- Unlike some other guys, I can't promise to be what I'm not !!
- I'm good at video games, computers, I'm smart and funny, I try to read books but .....
- I do have a few shortcomings, I'm too shy and awkward, selectively social, I'm not too good at sports, I have the very bad habit of procrastinating things !!
- I detest Indian masala and drama, not an Indian TV fan

# What if you say no???

- MUCH COULD BEFALL YOU.....
- A place of weeping and everlasting destruction ..... A place of outer darkness ..... A bottomless pit ..... A place of hopelessness and suffering . .... You shall find your new home in my dungeons trapped with rodents, lizzies, burning all through the eternity in the deepest flames of hell

**MUAHAHAHAHAHAHAH  
HAHAHAHAHAHAHA!!**

**JK!! Before you think about suing me  
and putting me in a jail, please move on  
to the next page**

# What if you say no???

- Seriously, I don't mind the rejection at all
- It would be nice to date you, but hey, whether you say YES or NO, we can still be great friends to the very end and I think that's totally awesome!!

HERE'S A PIKACHU AND A POTATO FOR NO APPARENT REASON  
HAVE A NICE DAY!
